ABOUT ME

I am a qualified and professional web developer with five years of experience in frontend development. Strong creative and analytical skills. Team player with an eye for detail.

EXPERIENCE

Frontend Web Developer

Mediavine

2022

Developed and maintained web applications. Implemented responsive design techniques to enhance user experience across various devices.

Senior Web Developer

I Concept Digital

2020 - 2021

Involved in high-value or government tender projects such as Education Malaysia (EMGS), KDU University (now UOWKDU), KL Summit 2019 and many more.

Junior Web developer

I Concept Digital

2018 - 2019

Using frameworks and technologies such as Bootstrap and WordPress, I work with designers to develop beautiful websites that also aim to solve the problems of startups and SME. I support the team by writing nice readable and reusable codes.
